Dear Friends,

Thank you so much for your generous donation of \$5,000 in support of Art in Action. YES! Serves as the fiscal sponsor for Art in Action. YES!'s work connects, empowers and inspires young changemakers to join forces for a thriving, just and sustainable way of life for all. We are deeply grateful for the gift of your partnership. We pledge to you, to ourselves, and to all life on Earth our most sincere and steadfast commitment to be worthy of the trust you have bestowed in us.

YES! is blessed to work with some truly extraordinary young leaders – people around the globe who are manifesting profound courage, love, creativity and passion. Everywhere there is injustice, there are young people working for justice. Everywhere there is war, there are young people working for peace. Everywhere there is environmental destruction, young changemakers are rising up and taking a stand for a sustainable future. Your investment in YES! is an investment in some of the bright lights of our times, and we thank you for joining us in a commitment to deepening the root system that underlies their crucial work.

Our employer ID # is 77-0467495. Federal income tax law requires us to inform you that no goods or services were provided to you in return for your \$5,000 gift, and that, therefore, the full amount of your gift is deductible for Federal income tax purposes. Please maintain this receipt for charitable deduction purposes.

Yours for healthy people and a healthy planet,

Ocean Robbins, Founder, YES!
